

MORE DETAILS COMING SOON!

Drop in replacement for the fake coin slots in your HOME DEPOT R2-D2!

Instructions, Simple to install:

-----

1. Unscrew existing coin slots and remove original coin slots.
2. Insert our PROPS88 Coin slots and use original screws and our new washers to install!
3. Enjoy!

Add your own LED lights for the DIYer! We already have space for a 5mm led bulb for you!

We even painted the top frames silver so installation is only under a minute!

3d printed and the lenses can be removed if you choose to do so.

Kit includes:

- R2-D2 drop in replacement Coin slots.
- 3 washers
- Top of each coin slot painted silver
- Clear snap in lenses

May the Force Be With You.
